

## SCHOOL DISTRICT ATTENDANCE AREAS

The Superintendent, or a person designated by the superintendent, shall, on or before May 1 of each year, prepare a written report for the board, if recommendations are made concerning the changing of school attendance areas for the succeeding school year and the reasons for such recommendations. The board shall consider such recommendations at the first regular meeting following receipt of said report, but shall take no action on the report at that meeting. The changes recommended shall be given to the news media for publication in order that the patrons of the school district may be made aware of possible attendance area changes and have an opportunity to appear before the Board of Education and express their opinions in regard to the recommended boundary changes. The Board shall take no action on the recommended changes until after the patrons of the school district have had an opportunity to appear before the Board in regard to the recommended changes.
