

Activity # 4---Major Decision

Common Myths About Choosing a Major:

Go to www.psu.edu/dus/md/mdmisper.htm Write at least a couple of sentences to explain why these statements are indeed myths.

1. The best way to find out about a major is to take courses in it.
2. I should get by General Education credits out of the way before I pick a major.
3. Picking a major and a career are the same thing.
4. Choosing one major means giving up all the others.
5. My major will determine what I do for the rest of my life.
