

**DRUG FREE WORKPLACE**

As a condition of employment in the district, employees shall abide by the terms of this policy.

Employees shall not unlawfully manufacture, distribute, dispense, possess, or use controlled substances in the workplace.

Any employee who is convicted under a criminal drug statute for a violation occurring at the workplace must notify the superintendent of the conviction within five days after the conviction.

Within 30 days after the notice of conviction is received, the school district will take appropriate action with the employee. Such action may include the initiation of termination proceedings, suspension, placement on probationary status, or other disciplinary action. Alternatively, or in addition to any action short of termination, the employee may be required to participate satisfactorily in an approved drug abuse assistance or rehabilitation program as a condition of continued employment. The employee shall bear the cost of participation in such program.

Each employee in the district shall be given a copy of this policy.

This policy is intended to implement the requirements of the federal regulations promulgated under the Drug Free Workplace Act of 1988, 34 CFR Part 85, Subpart F. It is not intended to supplant or otherwise diminish disciplinary personnel actions which may be taken under existing board policies or the negotiated agreement.

The board believes that maintaining a drug free workplace is important in establishing an appropriate learning environment for the students of the district. The unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited on district property.
