

BASIC PROGRAM

The board shall consider the basic program of the district each year, and if approved, the program shall constitute the basic curriculum of the district. Handbooks outlining any course held in the district must be approved by the board in advance of the school year in which the courses are to become operative. Said handbooks when approved shall become a part of these policies and rules by reference.

Goals and Objectives

The district's goals and curricular objectives are on file in the district office and available for inspection as required by current law.
