

## TITLE I PROGRAMS

Meeting dates shall be designated annually for each eligible attendance center for the purpose of providing parents of Title I students an opportunity to meet with the administration in order to participate in the design and implementation of the Title I program. All parents of Title I students shall be invited to this meeting.

Parental involvement in the district's Title I program is encouraged. The certified staff shall design a program to encourage parental participation that may include but not be limited to the following activities: providing parents with access to meeting space and materials; providing parents with information concerning current Title I law, regulations, and instructional programs; and training programs to instruct parents how to become involved in their child's Title I program.

In order to fully meet the federal guidelines established for Title I programs, the school shall: provide timely notification to parents about their child's Title I selection, instructional objectives, progress reports, and parental recommendations; establish dates and sites for parent-teacher conferences; help parents promote a child's education at home by providing suggestions, educational materials, and training programs; help promote parental participation in school activities; designating parent coordinators in the district; and establish parent advisory councils in order to consult with parents about how the district can work with parents to achieve Title I program objectives, and solicit parent's suggestions in the planning, development, and operation of the program.
