

Homeless Student Regulations Required by Federal and State Law

Homeless students shall, by definition, include the following:

1. Children and youth who are sharing the housing of other persons due to loss of housing, economic hardship or a similar reason; are living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement.
2. Children and youth who have a primary nighttime residence that is a public or private place not designated for or ordinarily used as a regular sleeping accommodation for human beings.
3. Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations or similar settings.
4. Migratory children who meet one of the above-described circumstances.

Enrollment/Placement (See JBC)

The administration shall consider the best interest of the child, with parental involvement, in determining whether the child should be enrolled in the school of origin or the school that nonhomeless students who live in the attendance area in which the homeless child or youth is actually living are eligible to attend. To the extent feasible, and in accordance with the child or youth's best interest, the child or youth should continue his or her education in the school of origin, except when contrary to the wishes of the parent or guardian. If the youth is unaccompanied by a parent or guardian, the homeless coordinator will consider the views of the youth in deciding where the youth will be educated. The choice regarding placement shall be made regardless of whether the child or youth lives with the homeless parents or has been temporarily placed elsewhere.

The school selected shall immediately enroll the homeless child or youth, even if the child or youth is unable to produce records normally required for enrollment, such as previous academic records, immunization records, proof of residency or other documentation. However, the district may require a parent or guardian of a homeless child or youth to submit contact information.

The district must provide a written explanation, including a statement regarding the right to appeal, to the homeless child or youth's parent or guardian, or to the homeless youth if unaccompanied, if the district sends the child or youth to a school other than the school of origin or other than a school requested by the parent or guardian.

If a dispute arises over school selection or enrollment in a school, the child or youth shall be immediately admitted to the school in which enrollment is sought, pending resolution of the dispute. The child,

youth, parent or guardian shall be referred to the district homeless coordinator, who will carry out the dispute resolution process as expeditiously as possible.

For the purposes of this policy, "school of origin" is defined as the school that the student attended when permanently housed or the school in which the student was last enrolled.

A complaint regarding the placement or education of a homeless child or youth shall first be presented orally and informally to the district's homeless coordinator. If the complaint is not promptly resolved, the complainant may present a formal written complaint (grievance) to the homeless coordinator. The written complaint must include the following information: date of filing, description of concerns, the name of the person or persons involved and a recapitulation of the action taken during the informal charge stage. Within five (5) working days after receiving the complaint, the coordinator shall state a decision in writing to the complainant, with supporting evidence and reasons. In addition, the coordinator will inform the superintendent of the formal complaint and the disposition.

Services

Each homeless child or youth shall be provided services comparable to services offered to other students in the district including, but not limited to, transportation services; educational services for which the child meets the eligibility criteria, such as educational programs for disadvantaged students, students with disabilities and gifted and talented students; vocational programs and technical education; school meals programs; preschool programs; before and after-school care programs; and programs for students with limited English proficiency. Homeless students will not be segregated in a separate school or in a separate program within a school based on the students' status as homeless.

Transportation (See EDAA, JBC and JGG)

If it is in the best interest of the homeless child or youth to attend the school of origin, transportation to and from that school will be provided at the request of the parent or guardian or, in the case of an unaccompanied youth, the homeless coordinator. If the student's temporary housing is outside the attendance area of the school of origin, then the district will work with the school of origin to agree on a method to apportion the responsibility and costs for transporting the child. If an agreement cannot be reached, the costs will be shared equally.

Records (See JR and JGCB)

Any records ordinarily kept by the school, including immunization records, academic records, birth certificates, guardianship records and evaluations for special services or programs of each homeless child or youth shall be maintained so that appropriate services may be given the student, so that necessary

referrals can be made and so that records may be transferred in a timely fashion when a homeless child

or youth enters a new school district. Copies of records shall be made available upon request to students or parents in accordance with the Family Educational Rights and Privacy Act.
