

**Parents Right-To-Know  
Title I Annual Notification  
Southwest Elementary School  
2013 - 2014**

This notification is provided to inform you of your right to request the following specific information concerning the school and teachers:

Parents may request information regarding the professional qualifications of their child's/children's classroom teachers and paraprofessionals.

Professional qualifications include:

- **Whether or not the teacher has met Kansas licensing criteria for the grade levels and subject areas being taught;**
- **The baccalaureate degree and any other graduate certification or degree and the field of discipline of both;**
- **If services are provided by paraprofessionals, their qualifications;**
- **If the teacher is teaching under an emergency or professional waiver.**

All teachers at Southwest Elementary meet the above criteria. Each one is licensed for the grade levels and subject areas being taught. Each one has a baccalaureate degree and none are teaching under an emergency or provisional waiver. The paraprofessional(s), who work under the direction of the Title I and classroom teachers, meet the required qualifications for the position.

As a parent you will be contacted by the school if your child is taught by a “non highly qualified” teacher for four continuous weeks or more.

As a parent you have the right to request your child's state assessment scores. You have a right to obtain the school and school district state reports cards which can be located at: [State Report Card](#)

**Parent-School Compacts**

Schools receiving Title I funds are required to make a Parent-School Compact or Learning Agreement available. This Learning Agreement will be sent home during the first quarter of the 2013-2014 school year.

If you have questions or would like to request further information, please feel free to contact David Schmidt, Curriculum Director, 620-672-4500.
