

Activity # 16 American Careers

Materials: American Careers Magazine, Parent Resource Guide 2009-2010

Use this magazine to learn about careers. Hopefully you took the inventory on page 7 of this magazine and you picked one of the six career paths.

1. Find the career path section of the magazine that interests you the most. Read at least one of the short articles, pick the article that sounds the most interesting to you. Write a short paragraph about what you learned. Tell me if this career would be a good fit for you. Give me two reasons to support your answer.

(Attach your paper to the back of this sheet..)

2. Go to at least one website listed in the career section. Write the address of the website on the line below.

What did you like about the website?

Would you recommend this for another student to use? Yes No

3. Go to page 11. Look over the Salaries-Education Chart. Write down 2 jobs in your career path in the chart below. Complete the chart.

<u>Job</u>	<u>Salary</u>	<u>Education</u>	<u>What it means</u>
