

ADJOURNED BOARD MEETINGS

The board of education may adjourn any meeting to another time or place where resolution providing for such adjournment shall have been adopted by the board at its annual meeting in July.

Any adjourned meeting under this policy shall have as its purpose the continuation of business which was under consideration at the regular meeting, but which, for lack of time or because of incomplete information, could not be finished at the regular meeting. The adjourned meeting in this manner shall become a continuation of the regular meeting at a later time, and the location may or may not be the same as that of the original regular meeting.
