

OUT-OF-STATE AND/OR EXTENDED TRIPS**VOCAL AND INSTRUMENTAL DEPARTMENTS
PRATT SENIOR HIGH SCHOOL**

Although the Board of Education recognizes the value of out-of-state and/or extended trips as they pertain to the vocal and instrumental department at Pratt Senior High School, the Board is of the opinion that such trips should be kept to a minimum in order to assure that the academic program of each student is not seriously effected. As such, the instrumental and vocal music department shall each be limited to not more than one out-of -state and/or extended trip every two years commencing with the 1976-77 school year.

In such instances that a major invitation is extended to the instrumental or vocal music department that cannot, because of the nature of the invitation, be carried out in an appropriately scheduled year, such an invitation may be approved by the Board of Education on the basis that the particular department involved would not seek or accept further invitations for at least two complete school years.

The department involved shall seek and obtain approval of any proposed out-of-state and/or extended trip from the Board of Education prior to acceptance of an invitation.

The Board of Education will provide minimum financial support with regard to such trips. The extent of such support will usually be confined to assistance in the area of transportation and will be indicated at the time the Board of Education acts on the request.
