

FIRE AND TORNADO DRILLS

Building principals or their designated representatives shall conduct fire and tornado drills in their respective buildings as follows:

1. Fire Drills:

At least one (1) fire drill shall be conducted each month at some time during school hours, aside from the regular dismissal at the close of the day's session, and prescribing the manner in which such fire drill is to be conducted.

2. Tornado Drills:

At least three (3) tornado drills shall be conducted each year (September, March and April) at sometime during school hours, aside from the regular dismissal at the close of the day's session, furthermore, describing the manner in which such tornado drills are to be conducted.

The results of said fire and tornado drills are to be reported to the office of the Superintendent of Schools on the 10th of each month for the month preceding and subject to approval by the State Fire Marshall.
