

CONTESTS FOR STUDENTS

No student shall enter any contest as a representative of a school in the district unless such contest is acceptable to the Kansas State High School Activities Association or the Board.

Students shall be advised by the appropriate sponsor that accepting cash or merchandise for participation in an activity may jeopardize the student's amateur standing and eligibility in that identical activity before the KSHSAA.

Each faculty sponsor bears the responsibility for monitoring this student activity sponsorship, and each student must be aware of those activities which would put him in violation of this policy and KSHSAA regulations.
