

IDAD - Title I Programs

The board shall ensure the district's Title I programs operate in accordance with federal laws and conditions, including implementing the following:

- The district will establish and operate programs, activities, and procedures for the involvement of parents in all Title I schools that are planned and operated with meaningful consultation with parents of participating children.
- The district will work with its schools to ensure that required school-level parent and family engagement policies are developed and that each school has a school-parent compact outlining shared responsibilities for improving student academic achievement.
- The district will incorporate this Parent and Family Engagement Policy into its overall Title I plan.
- To the extent practicable, the district will provide opportunities for informed participation of parents and family members, including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children, including providing information and school reports in an understandable and uniform format, including alternative formats upon request, and, to the extent practicable, in a language parents understand.
- Parents will be informed of their right to request additional meetings and to provide input if the Title I plan is not satisfactory.
- The school district will involve the parents of children served in Title I, Part A schools in decisions about how the 1 percent of Title I, Part A funds reserved for parent and family engagement is spent and will ensure that not less than 90 percent of the one percent reserved goes directly to the schools.
- The school district will be governed by the statutory definition of “parent and family engagement,” and expects that its Title I schools will carry out programs, activities, and procedures in accordance with this definition:
 - Parent and family engagement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—
 - that parents play an integral role in assisting their child’s learning;
 - that parents are encouraged to be actively involved in their child’s education at school;

- that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child; and
- the carrying out of other activities.
- The school district will inform parents and parental organizations of the purpose and existence of the Kansas Parent Information Resource Center (KPIRC).

The board shall strongly encourage parental involvement in the district's Title I program. The superintendent is responsible for administering the district's Title I program.

Implementation of District-Wide Parent-Family Engagement Policy

The district will adopt and implement a plan to accomplish the required components of this policy.

Annual Parent Meeting

Parents shall receive information about the Title I program, the curriculum, academic assessments, and required proficiency levels, and their right to request additional meetings. All parents of Title I students shall be invited to the meetings. The board shall designate at least one meeting date each school year to provide parents of Title I students with an opportunity to meet with school personnel in order to participate in the design and implementation of the Title I program.

Annual Evaluation

The district shall conduct, with involvement of parents, an annual evaluation of the contents and effectiveness of this policy and the accompanying plan. The district shall use the findings of the evaluation to design strategies for more effective parental involvement and to revise, if necessary, the policy and accompanying plan.
