Bullying means: Any intentional gesture or any intentional written, verbal, electronic, or physical act or threat either by any student, staff member, or parent towards a student or by any student, staff member or parent towards a staff member that is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment that a reasonable person, under the circumstances, knows or should know will have the effect of:

- Harming a student or staff member, whether physically or mentally;
- Damaging a student's or staff member's property;
- Placing a student or staff member in reasonable fear of harm; or
- Placing a student or staff member in reasonable fear of damage to the student's or staff member's property.

Bullying also includes cyberbullying. "Cyberbullying" means bullying by use of an electronic communication device through means including, but not limited to, e-mail, instant messaging, text messages, blogs, mobile phones, pagers, online games, and websites.

Additionally, bullying means any form of intimidation or harassment prohibited by the board of education of the school district in policies concerning bullying adopted pursuant to K.S.A 72-6147 or subsection (e) of K.S.A. 72-1138, and amendments thereto. USD 382 will not tolerate these actions by students, staff, or parents.

For the purposes of this plan and its authorizing policies, "parent" includes a biological, adoptive, or step-parent; guardian; custodian; or other person with authority to act on behalf of a student.

Similarly, a "staff member" means any person employed by the district.

Any act of bullying by either an individual student or group of students towards a student or staff member of the district is prohibited on or while utilizing school property, in a school vehicle, or at school-sponsored activities, programs, and events. This policy applies to students who directly engage in an act of bullying, to students who, by their behavior, support another student's act of bullying, and to all staff members and parents who engage in similar behaviors.

Training concerning identifying, reporting, investigating, and preventing bullying behaviors as outlined in district policies and this plan shall be provided to students and staff members using resources available for such purpose and shall be provided through school assemblies, staff development, or other appropriate forums at least {annually/biannually}.

The school administration and/or board may consider the following factors when determining an appropriate disciplinary action for such prohibited conduct: the ages of the parties involved; the developmental and maturity levels, special education needs of the parties involved, and the nature, frequency, and severity of the behavior.

Discipline guidelines for student bullying may be found in student and employee handbooks.
