

PHYSICALLY DISABLED STUDENTS

Physically disabled students, including those temporarily disabled by illness, operation or accident authenticated by a physician's order, may be eligible for alternative educational services or accommodations in their regular program which allow for meaningful participation in the program.

Students with injuries which prohibit participation in physical education or other classes shall present to the building principal a physician's statement prohibiting such activity.

Teachers shall follow medical instructions relating to limitations on the student's participation, and shall either provide alternative methods for the student to earn a credit/grade in the class during the period of the disability or contact the district 504 coordinator for consideration of appropriate accommodation for the student.
