

## Lice Treatment

The Pratt County HOPE Center has graciously provided over \$2,000.00 to make Lice Treatment a more affordable option for our Greenback Family. Because of their generosity, we are able to offer treatments for the entire family as outlined below.

### Cost of Treatment

1. The base cost for treatment is \$50.00, the 5th and subsequent family members will be prorated to \$10.00 per treatment as outlined below:
  - Family of 4 - \$50.00
  - Family of 5 - \$60.00
  - Family of 6 - \$70.00
  - Family of 7 - \$80.00
  - Families of 8+ - \$100.00
  
2. **If you are unable to pay for treatment, please visit with the School Nurse as some grant funds remain to offset the cost of treatment.**
