

LIBERTY MIDDLE SCHOOL

FROG FOCUS

February 2, 2024

This was an exciting week. One of our 5th graders won the Pratt County spelling bee-congratulations to Shaylee Van Pelt. Mrs. Stegman's students conducted a mock trial based off a story they read. Mr. Helfrich and Mr. Schmidt served as the judges in opposite classes and I got to be the defendant, I was guilty. Robotics is well underway and our awesome teammates in the cafeteria introduced a new menu item. Many students and staff thought the noodle bowls were amazing. Scholars Bowl had their home tournament and 7th graders came away as champions. Counselors' week is next week and we get to celebrate Mrs. McGreevy (pictured below) and those Chiefs-spirit week should be fun. Thank you to everyone who gave their time to work our Scholars Bowl tournament. Enjoy the weekend!
