

# Liberty Middle School FRIDAY FOCUS

February 24, 2023

A goal of mine as principal is to share all the good that each week brings. No matter how big or small the "good" is, I want to share what our students and staff accomplish. I am constantly in awe of everything that happens from week to week. I have been eagerly anticipating KMEA and Treble Choir's performance. Today is their big day and I can't wait to watch them shine in Wichita. They have worked so hard! Scholars Bowl and wrestling continue to have success and Mrs. Dixon shared an amazing "I get it" story about a student in her math class. Mrs. Hittle has started literacy circles and the student projects are proudly displayed outside her classroom. They are beautifully done. The announcement came this week for the always popular dodgeball tournament, our students are very excited.

Lastly, we hosted wrestling on Monday and it was a great team effort with support from teachers, staff members, and parents. My favorite part of the evening was when a 7th grade wrestler saw us sweeping the gym and he picked up a broom to help. That's the Greenback way and makes me proud!

## Counselor's Corner

Prioritize Self-Care

What is a self-care activity that you enjoy doing?

Focus on one self-care practice for the next week! Here are a few ideas.

- Prioritize sleep
- Watch a movie
- Be physically active
- Network with a co-teacher or friend
- Spend time with family
- Massage
- Cook a meal
- Take your dog on a walk
- Read a book
- Get outside in the sunshine
- BREATHE, just breathe!

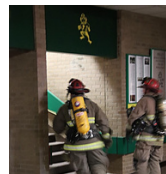

## Rudd's Random Thoughts

SLAB conferences will be held March 6th and 7th from 4:00-7:00 p.m. During these conferences, your student will share with you the goals he/she has set for their spring summative assessments. Those assessments include; The Kansas State Assessment, The Spring Aimsweb Benchmark, and The Edulastic/Savvas percentage of grade level standards mastered. The scores from these assessments plus the ongoing IXL personalized practice are used as classroom placement decisions are made for the upcoming year. We look forward to sharing this information with you.

## Greenback Shoutouts

- Thank you to Pratt City Fire for our partnership as you train to be the best for our community.
- Congratulations to our 8th grade CKL Scholar's Bowl CHAMPIONS
- Our partners in the cafeteria are so special. Thank you to Tiffany, Taylie and the rest of the cafeteria team for becoming part of our LMS family.
