

FRIDAY

# FROG FOCUS

The end of the semester is almost here, and with it comes a flurry of activity. From benchmark testing to frog dissection labs, our students have been busy. As we look forward to the week ahead, we're excited for spirit week, the talent show, and early dismissal on Friday. We're grateful for our amazing students and staff who have made this first half of the year so memorable. And let's not forget to cheer on our LMS basketball teams as they prepare for playoff action! The boys and girls teams have both secured strong seedings and will host playoff games on Thursday.
