

LIBERTY MIDDLE SCHOOL

FROG FOCUS

January 12, 2024

We have hit the ground running after Christmas Break. It has seemed a bit slower with the weather we've received. Our older students' schedules change after Christmas so we have all those kinks worked out and we are prepped for a wonderful second semester and looking forward to making more memories with our staff and students. The spring semester brings us more athletic events, Scholars' Bowl (see picture to the right-early morning practice), the spelling bee, state assessments, a visit from Miss Kansas and so much more.
