

LIBERTY MIDDLE SCHOOL

FROG FOCUS

March 22, 2024

The first week after spring break and our students and staff were rocking things and picked up right where they left off. We are excited for our students at state science fair today and look forward to hearing results. The mass band concert took place Wednesday evening and it was full of energy and wonderful. Congratulations to our band students! Track has begun here and you can definitely tell as the students walk the stairways-they are so sore. We are prepping for state assessments and organizing all the things that happen in April and May-the SLAB rewards party, incentive day, field trips, and our fun day to end the year. It's always a wonderful time to be a Greenback!

Hill's Headlines

Football field/Nech- Barker
Bus Duty-Nech
