

LIBERTY MIDDLE SCHOOL

FROG FOCUS

November 10, 2023

We've had a very busy week around here with science experiments, math projects, two home basketball games, Veterans Day preparation, and of course late night rehearsals for the play. We also have students in Wichita today presenting Character Strong at the annual school board conference. Each year 8th grade students choose a Veteran, interview the Veteran and create a project to display today at the Veterans luncheon.

Today is the day the 8th graders' hard work is recognized with many getting to meet their Veteran and share a meal together. This project is truly special for students and Veterans. These celebration boards honoring the veterans will be on display at the Pratt Public Library next week. Please join us this weekend to watch the performance of Law and Order, Fairy Tale Unit, as these students have been working tirelessly in preparation for this weekend's performances. Thanksgiving is quickly approaching and we have so much to be thankful for here at LMS.

Hill's Headlines

Supervision Schedule:
Football field/ramp- Strecker (5th grade is allowed to go on the field, please keep them separated)
Bus Duty- Frank

Monday-
