

LIBERTY MIDDLE SCHOOL

FROG FOCUS

October 27, 2023

As educators, it's our responsibility to be life-long learners. On Monday, our staff got the opportunity to learn more about our students with dyslexia and ways in which we can teach them. Our training was engaging and left our staff wanting more (see bottom right photo). A few of us also attended the Kansas Department of Education's annual conference this week. It was a great opportunity to grow as educators.

Tuesday was a special day at LMS as we celebrated our USD 382 Teacher of the Year-Mrs. Valerie Slinkard. We honored her at a short assembly and 5th graders got a little extra recess and an ice-cream party. We are thankful for her 10 years serving our students. Basketball games begin next week and of course Halloween. Enjoy the cold this weekend!

Hill's Headlines

*****DOOR OPEN DAILY at 7:40 a.m.-be aware as the weather turns cold

Shout-outs

1. Great job to our Pride of South Central Kansas. The performance on Zerger was wonderful. Great job students, Mr. Poort, and Mrs. Malone.
2. Thank you Ms. Heather and Ms. Jessica for helping surprise Mrs. Slinkard.
3. Thank you to our wonderful cafeteria employees for all the things you do to make lunch-time fun for our students.
