

LIBERTY MIDDLE SCHOOL

FROG FOCUS

September 29, 2023

Spirit week is coming to an end and spirit week in a middle school brings a lot of extra energy. Thank you teachers and staff for participating right alongside our students. You made it, great work! Standing in the back row in the picture to the right is our Brainstorm Champions for 2023. Thank you to Mrs. Hamm for making that event happen. Our cross country athletes had their home meet yesterday and what an outstanding job they did demonstrating our Greenback character traits of grit, perseverance, and team. We are all proud of you!

I've mentioned the importance of creating moments with students in previous weeks. Thursday a great moment was shared with me. A 7th grade young man stopped me going to the bus and told me he was so proud of one of this classmates in PE. He went on to tell me all about the class period and what he did to make him proud. Students recognizing each others successes! Great stuff.

Character Strong

Character Dare Challenge

The CharacterDare process is a series of prompts and reflective conversations organized around specific character challenges (i.e., dares) that provide students and staff with ideas, opportunities, and accountability to put character in action and thereby develop their character over time. Character Dares started last week and a new dare will be given to students each Thursday.
