

LIBERTY MIDDLE SCHOOL

FRIDAY FOCUS

September 8, 2023

Brainstorm has rich tradition here at LMS that dates back to the 80's. We had 29 teams participate in the initial test this week. Students form teams of five, come up with a team name, and test their knowledge competing against their peers. It's always an exciting time as we narrow it down to the top two teams. Brainstorm finals take place in the auditorium on Sept. 22 @ 9:00 a.m. Please join us for this exciting event. LMS school picture day will take place on Tuesday the 12th- please don't wear green. It's time for the musical. Many of our students have a part in this year's musical, they have worked countless hours to make it a great show. We are so proud of their dedication and hardwork.

Hill's Headlines
