

securly

Did you know our district provides an app that allows you to view your child's internet activity from their school-issued device?

Offline Schedules:

Bedtime is for sleeping. Schedule when the internet goes offline.

Activity Tracking:

See recent searches, sites visited, and videos watched.

Custom Rules:

Your house, your rules. Adjust web filter settings at home.

Safety Alerts:

Real-time notifications for bullying and self-harm.

Pause the Internet:

Help your child stay focused by turning the internet off or on with a tap.

Weekly Reports and Stories:

Get snapshots of weekly online activity in your inbox and the app.

Get Started:

- 1) Download the **Securly Home** app
- 2) Tap **Get Started**
- 3) Login with your school-registered email, or tap **Get Instant Access**
